KID-FRIENDLY ITEMS

Give parents peace of mind by offering these family-friendly items to help keep their children safe and having fun!

While these items may not be essential to your vacation rental, they can add value to your home—and help you generate some great reviews.

!STAYLAH TIP!

Don't want child safety items permanently installed around your home? Simply tuck the items in a closet and leave a note detailing to guests what's available and where to find them.
